Air Commerce Bureau Places Blame in Crash

Lodging of Microphone In Controls Caused Tragedy at Mills

The Bureau of Air Commerce announced officially in Washington today that the probable cause of the Mills Field air crash on February 9 was the accidental lodging of a microphone in the controls, causing them to jam.

Eleven persons were killed in the crash.

"A detailed investigation of the wreckage showed no evidence of failure in the air of the airplane structure, engines or propellors," the bureau reported, according to the United Press.

"The separation of the right propellor from the engine and the engine from the wing was proven beyond a reasonable doubt to be the result of the impact with the water. The condition of both propellors and both engines indicated that they were rot. ng and operating normally at time of contact with the water, either under their own inertia while slowing down, or, in any event, at low power."

SWITCH TURNED OFF

Investigators found the master switch in the "off" position and they believed that the pilot had cut his engines just prior to striking the water.

There were indications, the report said, that the combined efforts of the two pilots had been used in an effort to pull back on the elevator controls to overcome some "mal-functioning" of the elevator control system, which guides the plane upward or downward.

JUDGE WARY OF BAIL JUMPER

TORONTO, Ont. (U.P.)—When his case was adjourned one week Michael McDonald asked the judge for his freedom on bail. The request was refused. McDonald was charged with jumping bail.

Means of Gaining Transit Sought By N. F. O. Area

Consideration of means of obtaining transit service between the North Fair Oaks district south of Redwood City and Palo Alto is being considered by members of the Residents' Association of that community, it was reported today.

A discussion of the possibility of such a transit service being established was conducted at the association's week-end meeting by three representatives of the San Mateo County Federation of Improvement Clubs—Wayne R. Millington of Redwood City, Hugh Riley of San Carlos and T. Louis Chess of San Mateo — members said. No action was taken other than to give the matter further consideration.

Mrs. Clara Tudhope Succumbs in S. F.

Mrs. Clara Tudhope, 75, who until five or six years ago made her home in Redwood City, died late Monday at Mary's Help Hospital in San Francisco, following a period of declining health. She had been living in Loma Mar.

Mrs. Tudhope was the widow of the late George Alexander Tudhope, who died in December, 1934. She is survived by a daughter, Mrs. Katharine Dinwoodie of Redwood City, and a son, Dr. William Allan of Seattle.

BABY, TWO ADULTS INJURED

Three persons, one an 18 months' old baby, were recovering today from injuries suffered in a collision late Sunday on the Bayshore highway near San Bruno. William Park, the baby, incurred a brain concussion and head bruises, and his mother, Mrs. Dorothy Park, 26, face cuts, when the car of her husband, William A. Park of San Francisco, collided with that of Jake Kendall, 43, Oakland. Kendall's companion, Mrs. C. W. Stark, 48, also of Oakland, was also cut about the face.

CIRCUS COMING SOON

The one day of the year when all the city lays aside its mask of sophistication (that veneers every city, large or small) and unaffectedly becomes itself, is circus day. That self is symbolized by the child-like attitude of the little lad shown here leading Ruth, dean of the AL G. BARNES AND SELLS FLOTO COMBINED CIRCUS' five herds of elephants from the ornate cars at the railroad yard. This super circus, with four trains and an unparalleled array of new world-wide wonders comes to Redwood City, corner Broadway and Spring streets, on Tuesday, April 27.

MENLO PARK NEWS NOTES

Menlo Parlor No. 211, Native Daughters of the Golden West, will hold a whist party in Central School auditorium Monday, April 26, at 8:15 p.m. Score cards will be 25 cents.

The local Boy Scout troop entertained members of their families at dinner in Central School auditorium Monday night. Commander George Condos of the American Legion post prepared the ham which was served. Scoutmaster Floyd Beach was assisted by Assistant Scoutmaster Oram, Mrs. Floyd Beach, Mrs. Oram, Miss Shephard, Mrs. A. Backlund and Earle Hook. After dinner the scouts gave an interesting program.

Menlo Park American Legion Auxiliary No. 443 will give a ham dinner in the Legion Hall Thursday, April 29, at 6 p.m. President Dora Scott Devol and Catherine Derry will have charge of arrangements.

Mrs. Dora Scott Devol, president of the American Legion Past Presidents' Parley of the 26th district, and Mrs. Leon French were joint hostesses at a past president's luncheon Wednesday at the home of Major and Mrs. Leon French, 458 Turner Terrace, San Mateo. Eighteen members were present.

Arthur Watkinis, for five years chauffeur for J. A. Donohoe, has resigned his position. After a lengthy vacation, Mr. Watkins will engage in a business enterprise.

The Forty Hours Devotion will begin in the Church of the Nativity Sunday and will end on Tuesday.

The petition to form the Menlo Park water district is being circulated here this week. The required number of signatures has been secured and the petition will come before the board of supervisors on Monday.

Louis Ponzini, a native of Italy, aged 78 years, passed away last Monday. He was a pioneer of Menlo Park and was highly respected. He is survived by his wife, Mary Ponzini, and four children, Mrs. Eva Walsh, Mrs. Lena Ventura, Mrs. Mary Wyman, and Louis Ponzini Jr. The funeral took place from the Church of the Nativity yesterday.

Walter V. Harrington, who passed away in Oakland last week, was a brother of Thomas Harrington of Menlo Park. The former was engaged in the printing business in Oakland for more than 40 years, being a member of the firm of Harrington and McGinniss. He is survived by his wife, two children, two brothers and two sisters. One of the latter is a nun in Canada.

Associated Oil Plans Spring Advertising

Launching a comprehensive newspaper advertising campaign, Associated Division of Tide Water Associated Oil Company plans a full spring advertising program, according to Harold R. Deal, manager of advertising and sales promotion.

Associated's April schedule calls for an advertisement each day in at least one newspaper of the metropolitan cities of the Pacific Coast, Deal states. Proportionate insertions are scheduled for the "B" and "C" list in other cities and towns, he added.

Stressing "mileage service" and importance of "changing to summer lubricants," the April program leads off the spring campaign in a well defined helpful series of advertisements to all motorists, Deal concludes.

The postoffice department handled 359 fraud cases last year.

HONEYMOONS

Secret marriage April 3 of pretty Katharyn Rose, above, to Co-Pilot Theron Jobson was revealed with the resignation of Miss Rose from her sales position with the United Air Lines. Miss Rose was known for two years as one of Mills Field's most versatile stewardesses before taking the sales position. Jobson was termed by line employes as the company's "most confirmed bachelor."

A sociological survey of 501 women in a Virginia mountain community showed that 20.8 per cent had married under the age of 15.

Hostess Flies Million Miles; Will Fly More

She's never been out of the country, but this week Stewardess Clara Johnson of United Air Lines completed the equivalent of forty trips around the world!

One million air miles, or what would amount to 1,379 flights between Seattle, Portland and Oakland, was the record chalked up by the young, attractive air hostess as she arrived at San Francisco Airport. Waiting to congratulate her and to present her with a certificate was Pilot Heber C. Miller of United, who himself has flown over 1,500,000 miles on the coastwise route and who is one of six of United's million-mile pilots flying in and out of Mills Field.

As one of the pioneers in a profession whose members today number more than 270, Miss Johnson jointed United's service on March 25, 1931, following her graduation as a registered nurse from San Francisco's French Hospital. She is the daughter of Emil Johnson, Salt Lake boat builder.

When Miss Johnson started flying, sky service wasn't all that it is today. Meals aloft consisted of sandwiches and coffee; planes did well to cruise at 110 miles an hour, and other present-day luxuries were missing. In 1937 Miss Johnson and her sister stewardesses serve full course meals in heated and ventilated cabins while traveling along at more than three miles a minute. She is one of five of United's stewardesses—and the only one in the west—to pass the million-mile mark.

And what are the young lady's plans, now that she's done that?

"To fly another million—in fact, several millions more!" she smiled.

Faster Flights Now Possible In Mainliners

A three-hour, five-minute nonstop service between San Francisco and Portland and a four and one-quarter hour service from here to Seattle will become effective April 15, S. A. Stimpson, district traffic manager for United Air Lines, announced yesterday.

The new schedules, which will be flown with "Mainliners," built for United by the Douglas Aircraft, will be approximately an hour faster to both cities.

Substantial increases in coastwise flying this month has necessitated the flying of extra schedules, and the 21-passenger Douglases in addition to speeding up the service will provide increased accommodations, Stimpson said.

Although the Mainliners have approximately the same speed as the Boeing transports now in use between here and Seattle, the former's ability to cruise for 1500 miles without refueling allows for the shorter schedules.

PLANTS MORE FISH

LANSING, Mich. (U.P.)—A total of 2,021,420 game fish were planted in Michigan waters during 1936, the state conservation commission has announced.

Former P. A. Worker Dies in Menlo Park

MENLO PARK, Apr. 13.—Louis Ponzini, 78, one-time Palo Alto city employe, died yesterday at his Menlo Park home, 1055 Evelyn street. He is survived by his widow, Mary Ponzini, and four children, Mrs. Eva Walsch, Mrs. Lena Ventura, Mrs. Mary Wyman and Louis Ponzini Jr., all of Menlo Park.

He was born in Genoa, Italy, and came to this community 26 years ago.

Physician's Compound Helps Sacramento Woman

Mrs. Sally Talbot, 1919 20th St., Sacramento, Finds Remarkable Relief With Williams' R.U.X. Compound.

Mrs. Sallie Talbott, 1919 20th street, Sacramento, finds rheumatic relief from well known Physician's Compound. Mrs. Sallie Talbott states: "I am grateful to Williams R.U.X. Compound for what it has done for me. I most heartily recommend it to my fellow citizens."

This is only one of many letters sent in praising the merits of this product.

Here is what Mrs. Sallie Talbott writes:

"I have had rheumatism for six years. It has been called neuritis, arthritis, and neuralgia, and other names I guess. But whatever form it is, I do know I could not get any relief. I guess I took something of everything anybody recommended but with no relief. My sister rubbed liniments into my flesh and muscles until the skin would be almost raw and so inflamed. In this way and at these times only did I have respite from those awful pains, which were across my hips and extended up the spine to the back of my neck and downs the legs to my ankles. Lots of nights I slept none at all.

"I saw Williams R.U.X. Compound advertised in the newspaper and purchased a bottle. I began to get relief from the pain almost immediately, and after the third day I was practically free of pain. Although I had always been reminded by my physician that I had heart trouble, this medicine gave me no ill effects in this regard as some rheumatism medicines do. And now I sleep well and my rest is practically unbroken. I told my sister she had no idea how much it meant to me to be free of that plain and not have it necessary to be rubbed and rubbed to obtain any relief.

"I am grateful to Williams R.U.X. Compound for what it has done for me. I most heartily recommend it to my fellow citizens."

There are no secrets to this medicine. It is simply a fine doctor's prescription found to be effective in cases suffering from the pains of Rheumatism, Arthritis, Neuralgia, and Neuritis. Doctors have found that it does no good simply to cover up your symptoms—you must get at the cause of your pain! William R.U.X. Compound acts directly from the inside through the blood stream by a combination of ingredients universally recognized as most effective for relieving these pains.

Your Money Back If Not Satisfied

We don't expect you to risk your money. We know what Williams R.U.X. should do for you, therefore we make this guarantee. Get a bottle today and if you are not completely—utterly satisfied after taking your first bottle your money will be cheerfully refunded by the Young Drug Co., or San Carlos Pharmacy.

Williams R.U.X. Compound is only sold through Williams agents. In Redwood City or San Carlos you may purchase R.U.X. through the Young Drug Co. or San Carlos Pharmacy.

Death Charges Stick Against Cleve Hower

Information papers charging Cleve Hower of Burlingame, board of equalization auditor, with manslaughter and negligent homicide, do not violate his constitutional rights under the "due process" clause, Judge A. R. Cotton ruled here late Monday in denying a motion of Atty. Francis Murphy that the charges be dropped. Murphy announced that he will file a demurrer backing up his point when Hower appears April 19, date scheduled for him to plead.

Deputy Sheriff Seeks $100,000 From Hospital

Deputy Sheriff John T. Simpkin is asking $100,000 damages in a suit filed in San Jose superior courts against the Palo Alto Hospital, the City of Palo Alto and Stanford University, his charges being that the hospital's neglect was responsible for his fall from the second story of the hospital last November 11.

The San Mateo county sheriff's aide, who broke his back in the fall, claims the hospital neglected to provide him with the ordinary care necessary for a patient suffering from post-operative delirium.

He had been operated on for appendicitis and was apparently well on his way to recovery when one night he climbed out of his bed, walked across a hall to a porch, and fell off. Besides a broken back, he suffered other serious injuries.

He was removed from the hospital to his home in North Palo Alto soon after his claim for the damages was refused by the Palo Alto City Council.

Simpkin is represented by Attys. M. J. Rankin and Charles E. Luckhardt of San Jose and F. E. Hoffman, San Mateo.

Cub Reporters Issue Sequoia High Paper

Written and edited by students in the first year journalism class at Sequoia high school, the first "cub issue" of the year for the Sequoia Times appeared this week.

The "Cub" reporters in charge, gaining practice for higher positions on the staff next year, were Jack Duttweiler, editor in chief; Allen Gherini, assistant news editor; Madge Flood, editorial page, assisted by Shirley Bright; Jack Maher and William Dubin, sports editors; Julie Freese, seecond news page editor, assisted by Betty Martin; Robert Castagnino, humor and exchanges; DeWolfe Ross, class notes and student opinion column; Gerene Allsberry, advertising manager, and Robert Langbehn, associate.

A second "cub" issue will be published May 2 by another group.

Ex-Grid Player New Agent Here For Oil Company

M. A. Bross of San Francisco has been selected by General Petroleum Corporation to take over the post of Branch manager for Palo Alto and Redwood City and

M. A. BROSS

already has assumed charge of the bulk plant on the Bayshore highway in Redwood City.

Bross and his family, consisting of Mrs. Bross and one small son, have established themselves at 1056 Pine street, Menlo Park, where they will make their home.

Bross has been with General Petroleum for the past three years, during which time he has been salesman working out of the San Francisco office. Having handled all the various products of the company, Bross is well fitted for the new work he has undertaken. Prior to his association with General, he spent two years in the oil business in Santa Rosa for another company, and before that was a student at Gonzaga University, where he played on the football team in 1924-5-6, after which he played professional football in both New York and Honolulu, later engaging in the brokerage business in the latter city.

TEACHERS ATTEND PARLEY

Representing Sequoia high school, Miss Mary Cowden and Miss Alberta Reibenstein, instructors, and Jack Perrin and Jean Shepherd, students, attended a regional week-end conference of the California Scholarship Federation at San Mateo High School.

Jail Term, Probation Given Hit-Run Driver

On condition that he serve in the county jail here the remaining 17 days of a 60-day term, Luis Rossi, 49, 182 Bonita avenue, Redwood City and Atherton cement worker who pleaded guilty to hit-run driving, was admitted to probation late Monday by Judge A. R. Cotton.

He will be on probation one year, the judge ordered, having heard the favorable recommendation of Probation Officer Francis Robinson.

Rossi failed to stop after an early March automobile accident on Woodside road, where he crashed into the machine of Fred Wilson, 18, of Menlo Park, injuring Wilson's passenger, Mary Brown of Woodside.

The first patent in America was issued to Sam Winslow in 1641 by the Massachusetts Bay Colony for a process for manufacturing salt.

Faulty Parkers Head R. C. Traffic Sinners

Overtime and faulty parkers were the chief traffic offenders in Redwood City during March, the police department's monthly report, on file with City Clerk B. E. Myers, revealed today.

Among 102 violations, 70 were for overtime or wrong parking, and the number of speeders dropped to 13, a new low this year.

The first fatal accident of the year, when Antonio M. Martin, cafe owner, died after being struck by a car on El Camino Real March 10, 1937, was one of 29 automobile accidents, most of which were minor.

Drunken drivers totaled three, two more than in February. The rest of the 54 major arrests were divided 34 for drunkenness, and the remainder for vagrancy or other similar charges. There were but two cases of petty theft and one burglary.
